Welcome to Orlando!

Dear Friends and Colleagues,

It is our distinct honor to welcome you to the magical city of Orlando, Florida, and to the wonderful world of facial plastic and reconstructive surgery.

The AAFPRS Rhinoplasty & Facial Rejuvenation Meeting gives you the chance to acquire new knowledge, hone your surgical skills, learn innovative non-surgical procedures, explore cutting-edge technologies, and discover vital strategies to boost your practice.

We've worked diligently to provide you with an unrivalled educational program, featuring an expansive variety of topics, world-class speakers, and countless opportunities to collaborate, learn and share best practices with your peers.

We aim to address your practice gaps, help you refine your technique, and increase your knowledge. Our fully customizable agenda allows you to choose the topics and presentations that best meet YOUR individual educational needs.

While you're here, be sure to have fun. This is the perfect place to meet new people and reunite with old friends. Take advantage of the many social events to interact with colleagues and connect with industry partners.

So, be our guest! Soak up some sun, take copious notes, and take advantage of everything this meeting has to offer.

Again, welcome. We're glad you're here!

Rami K. Batniji, MD
Course Chair

Brian J. F. Wong, MD, PhD
Course Chair

Meet The Program Committee!

To thrive in today's competitive market, successful surgeons must stay up to date on the latest trends, techniques, and technologies, and be supported by an office staff that's second to none.

The AAFPRS Rhinoplasty & Facial Rejuvenation Meeting provides an exceptional opportunity to connect and collaborate with the best and brightest, and to learn from facial plastic and reconstructive surgery experts from around the globe. Our robust educational program is designed to help improve and enhance your practice and provide unique learning opportunities for your entire team.

In addition to our amazing Course Chairs, the AAFPRS Foundation extends a BIG 'Thank You' to the following people for bringing their collective expertise, experience, and ideas to shape our educational program.

Anthony E. Brissett, MD
AAFP RS Education Program
Director-Elect

Melanie Petro, MD
Practice Management Advisor

Kristina Tansavatdi, MD

AAFPRS ISRS
INTERNATIONAL SOCIETY OF
RHINOPLASTY SURGEONS

ADVANCING THE WORLDWIDE SPECIALTY OF RHINOPLASTY SURGERY

ISRS RHINOPLASTY FELLOW BENEFITS

AAFPRS International Society of Rhinoplasty Surgeons (ISRS) Members—"ISRS Rhinoplasty Fellows"—receive the following benefits, upon meeting the rigorous criteria and acceptance into the ISRS:

- ✓ Recognition as an "ISRS Rhinoplasty Fellow"
- ✓ ISRS logo use in your marketing materials and on your website
- ✓ ISRS electronic badge for use within the AAFPRS Find a Surgeon site and AAFPRS CONNECT profile
- ✓ Inclusion in the members-only ISRS online collaborative community for networking and collaborations with your rhinoplasty peers
- ✓ Exclusive opportunities to present ISRS education and write articles – further highlighting your rhinoplasty expertise, while advancing the global field of rhinoplasty surgery
- ✓ Press release template for your use to highlight the attainment of ISRS Rhinoplasty Fellow status
- ✓ Opportunities to participate in future research initiatives

BECOME A RHINOPLASTY FELLOW

An ISRS Rhinoplasty Fellow exemplifies the pinnacle of expertise and knowledge in rhinoplasty—and must meet the following requirements:

- Perform a minimum of 25 rhinoplasty surgeries each year
- Attend at least one AAFPRS rhinoplasty-related meeting every two years
- Obtain at least one reference from an AAFPRS Fellow or AAFPRS International Fellow member
- Attain AAFPRS Fellow or AAFPRS International Fellow membership status (prior to applying)

ISRS applications are reviewed and approved on an on-going basis—ACT NOW by reaching out to the ISRS via the below contact information and/or visiting us online to access membership documents to apply!

PROGRAM OVERVIEW

TARGET AUDIENCE

This activity is designed to meet the clinical and professional education needs of surgeons, residents, medical students, clinical staff and advanced care providers, in the fields of Facial Plastic and Reconstructive Surgery, Aesthetic Medicine, Dermatology, Oculoplastic Surgery, Maxillofacial Surgery, and Otolaryngology–Head and Neck Surgery, as well as for healthcare professionals involved in surgical and non-surgical treatments used to restore, enhance and rejuvenate the face. The clinical program is developed for physicians and advanced care providers at all experience levels and covers aesthetic, reconstructive and congenital issues related to this specialty.

LEARNING OBJECTIVES

At the conclusion of this activity, participants should be better able to effectively:

- Discuss the principles and fundamentals of rhinoplasty and recognize how these principles impact patient care.
- Determine when it is most appropriate to apply preservation rhinoplasty or structural rhinoplasty techniques.
- Recognize the pros and cons of using surgical and non-surgical Facial Rejuvenation procedures and apply these techniques to different patients and clinical situations.
- Summarize the benefits of using ultrasound, lasers and other energy-based devices during cosmetic procedures.
- Identify and evaluate the similarities and differences between various dermal fillers and identify the right product for the right patient condition.
- Translate expanded knowledge into practice for the improvement of patient safety, outcomes and satisfaction.
- Consider incorporating new business, marketing, and social media strategies into your practice.
- Identify ways that AI can benefit your practice.

ACCREDITATION & CREDIT DESIGNATION

The Educational and Research Foundation for the American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS Foundation) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAFPRS Foundation designates this live activity for a maximum of **25.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credits commensurate with the extent of their participation in this activity.

You will also have the option to receive MOC credits towards your ABOHNS certification requirements via the CME evaluation.

HOW TO CLAIM CME

Continuing Medical Education (CME) Certificates are available to registered attendees who complete a brief evaluation through the AAFPRS CONNECT Portal; instructions for claiming CME will be emailed to attendees after the meeting. *If you have any questions, or need assistance, please contact Karen Sloat at ksloat@aafprs.org.*

DISCLOSURE POLICY

The AAFPRS Foundation strives to ensure balance, independence, objectivity, and scientific rigor in all its educational activities. As such, instructors, speakers, course chairs, planners, and other individuals in a position to control or influence the content of an activity are required to disclose all relevant financial relationships or affiliations. Conflicts of interest are resolved, and educational content is thoroughly vetted for fair, balanced, scientific objectivity and appropriateness of patient care recommendations. Disclosures can be found in the mobile app and on our website.

GENERAL INFORMATION

PRIVACY & ACCESS TO YOUR INFORMATION

Your privacy is important to us. Our Privacy Policy can be found on our website, www.aafprs.org, and describes what information we collect, how it is used, how you can control the use of your data and certain other matters. Please contact us at info@aafprs.org with any questions or concerns about our Privacy Policy or any communications you receive from us.

AAFPRS and its official conference hotels will provide one another with access to basic conference attendee/hotel guest reservation information pertaining to registered attendees/hotel guests (e.g., attendee/guest names and number of hotel room nights). This exchange of information assists with event planning and enables AAFPRS to ultimately secure favorable discounted hotel rates for attendees. By registering for this event, you consent to such sharing of information.

ACCESSIBILITY/ADA REQUESTS

If you require special assistance, auxiliary aids, or other reasonable accommodations to fully participate in this event and did not indicate those needs during the registration process, please stop by the registration desk. Any information regarding your request will remain confidential.

PHOTOGRAPHY/FILMING RELEASE

AAFPRS has secured a Photographer/Videographer to take photos, document and capture official conference events and activities, including, but not limited to, educational sessions, networking breaks and receptions and the Exhibit Hall. These photos are for AAFPRS use only and may appear on the Academy's website or in newsletters, conference brochures, social media outlets, and/or other promotional materials.

By registering and attending this event, you understand and agree that your image, likeness, name, voice and/or words may be captured in photographs or recordings taken during the meeting and grant AAFPRS unrestricted permission to use, publish, display, reproduce, copy and distribute such image, likeness, name, voice and/or words in AAFPRS-related publications, including social media and the website. Please note that such photos/recordings will not include actual content, slides or videos contained within speaker presentations.

NO-RECORDING OR PHOTOGRAPHY | PATIENT PRIVACY

To protect confidential, proprietary or personal information, images and/ or private discussions, taking unauthorized photos or recording lectures, presentation slides, exhibit booths, and/or conversations between attendees, speakers, exhibitors, is strictly prohibited.

Other than personal photos or selfies, filming, photography, screen grabs or video capture of any portion of this event, including patient photos, surgical videos, presentation slides and/or written content is strictly forbidden.

Furthermore, by registering for this event, participants agree to hold in strictest confidence any protected health information that may be revealed.

REGISTRATION POLICIES

ELIGIBILITY | WHO MAY ATTEND

AAFPRS Foundation meetings and educational activities are intended for—and only open to—surgeons, advanced practice providers, office staff and healthcare industry professionals who specialize (and work in an official capacity) in Facial Plastic and Reconstructive Surgery, Aesthetic and Cosmetic Medicine, Dermatology, Maxillofacial Surgery, Oculoplastic Surgery, Otolaryngology-Head and Neck Surgery, and Plastic Surgery. You must meet these requirements to register and participate in this event.

- Registrations will be reviewed to ensure they meet our eligibility criteria; *your registration is considered pending until eligibility has been confirmed.*
- The AAFPRS Foundation reserves the right to deny registration/admission, cancel ineligible registrations, and/or to remove any person or company from its meetings/events at any time and for any reason, if, at its sole discretion, the Foundation deems their purpose or participation may be disruptive to the spirit of the event. The AAFPRS Foundation shall not be held accountable for any outside fees (hotel, travel, etc.) associated with any such cancellation.
- To ensure maximum benefit and a positive experience for all attendees, conference participants must read and adhere to AAFPRS' Code of Conduct/Anti-Harassment Policy.
- By completing the registration form on behalf of another individual you warrant that you have made the participant aware of AAFPRS' Code of Conduct/Anti-Harassment Policy, and all other registration-related policies, and that the individual understands and has accepted these terms and conditions for participation in the meeting.

CANCELLATION & REFUND POLICY

All cancellations must be made in writing to education@aafprs.org. *Telephone cancellations are not accepted.*

- Participants acknowledge that the refund policy set forth below (as applicable) is the sole remedy in respect to an attendee registration cancellation.
- *Canceling your registration does not automatically cancel your hotel reservation. To cancel your hotel reservation, please contact the hotel directly.*
- A full refund, less a 25% processing fee per registrant, will be granted for cancellation requests received on or before February 9, 2024.
- A 50% refund is available for cancellations received between February 10 and March 15, 2024. Refunds will not be granted after this date. No-shows are responsible for full payment.

ONSITE CHECK-IN & BADGE PICK-UP

Upon arrival, please stop by the Registration Desk to receive your name badge and other meeting materials. If you have a question, concern, or need assistance during the meeting, you may also stop by the Registration Desk; AAFPRS staff is available to help you locate sessions and answer any questions you may have.

Registration is open during the following hours:

Wednesday, April 3

4:30 PM–6:30 PM

Thursday, April 4

7 AM–6:30 PM

Friday, April 5

7 AM–6:30 PM

Saturday, April 6

7 AM–6:30 PM

NAME BADGE POLICY

Admission to this meeting is only granted to registered attendees. For security reasons, name badges must be worn to all AAFPRS Foundation events including, but not limited to, education sessions, hands-on labs, workshops, social/networking events, and the Exhibit Hall. When in the meeting space, please wear your badge so that it is visible at all times.

- False certification of individuals as paid AAFPRS meeting attendees, sharing or misuse of name badges, login credentials, presentation links, or any method of assisting unauthorized persons to gain access to any AAFPRS Foundation event is strictly prohibited and is just cause for the AAFPRS Foundation to revoke badges and/or access to the meeting for any individuals involved, with no obligation to refund registration fees paid.
- Lost badges should be reported to the Registration staff. For safety reasons, please remove your badge when you are outside of AAFPRS' meeting and facilities or when venturing out into the local area.

BADGE SCANNING

Your name badge has a QR code that contains your contact information, including your email address. You may present your badge to be scanned by exhibitors so that they may provide you with information on their products or services. By giving an exhibitor your badge to scan, you are giving them consent to contact you. It is your decision whether to present your badge for scanning. Once you have shared your information with an exhibitor, its use will be governed by that company's privacy policies.

CODE OF CONDUCT / ANTI-HARASSMENT POLICY

This event is convened for the purpose of professional development and to facilitate collaboration, the exchanging of ideas, sharing of best practices, and, ultimately, improving patient outcomes.

The Educational and Research Foundation for the American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS Foundation) is committed to providing an educational and harassment-free environment for everyone, regardless of gender, sexual orientation, gender identity, gender expression, disability, physical appearance, ethnicity, religion or other group identity.

The AAFPRS Foundation requires that all participants—including, but not limited to, members, officers, registered attendees, speakers, sponsors, exhibitors, staff, contractors, and volunteers—conduct themselves in a professional manner that is free from any form of discrimination, harassment, intimidation, violence, or retaliation. Participants agree to treat each other with respect and consideration to create and ensure a collegial, inclusive, safe, and professional environment.

This Code of Conduct/Anti-Harassment Policy is based on a firm belief in the value of civil discourse and the free exploration of competing ideas and concepts—with a fundamental respect for the rights, dignity and value of all persons. It outlines expectations for all those who attend or participate in AAFPRS Foundation meetings.

The AAFPRS Foundation seeks to provide a conference environment in which participants may learn, network and enjoy the company of colleagues in an environment of mutual human respect. We recognize this is a shared responsibility and remind participants that all professional ethics and norms apply as standards of behavior and interaction at this meeting/event.

Expected Behavior

By participating in this meeting, registrants are expected and agree to be respectful of other attendees, industry partners, spouses or guests, staff, hotel employees, and all others they meet and to abide by this policy in all meeting venues, including ancillary events and official and unofficial social gatherings.

- Behave responsibly and professionally and avoid any behavior that would cause embarrassment or reflect negatively on the AAFPRS Foundation's reputation.
- Safeguard and hold any protected health information revealed in the strictest confidence.
- Report any discriminatory, harassing, aggressive, or exclusionary behavior or speech immediately to AAFPRS staff.
- Alert AAFPRS staff or security personnel if you see or become aware of a situation in which someone might be in imminent physical danger or distress.
- Be responsible if choosing to drink alcoholic beverages at any AAFPRS Foundation networking event.

Unacceptable Behavior

- Real or implied threat of physical harm; yelling at or threatening other attendees, speakers, sponsors, exhibitors, staff or volunteers (verbally or physically).
- Harassment, intimidation or harmful, prejudicial, derogatory or demeaning verbal or written comments or visual images related to race, religion, language, gender, sexual orientation, gender identity, gender expression, disability, appearance or other personal characteristics or group status.
- Sexual harassment or intimidation, including unwelcome sexual attention, solicitation of emotional or physical intimacy, stalking (physical or virtual), or unsolicited physical contact.
- Deliberate intimidation, stalking, harassing, or following an attendee or group of attendees during the meeting.
- Unauthorized photography or recording a person without their permission.
- Persistent disruption of presentations during sessions, in the exhibit hall, or at other AAFPRS Foundation events organized throughout the meeting.

If you believe you have been threatened, harassed or that a dangerous or harassment problem exists for you or another attendee, please report said activity to the staff at the conference registration desk. All such reports will be directed immediately to the Director of Meetings & CME and the EVP & CEO, who will determine and carry out the appropriate course of action, and who may consult with and engage the AAFPRS executive leadership team and/or legal counsel as appropriate. Local law enforcement and/or hotel security may be consulted and/or engaged, as appropriate based on the specific circumstances.

Consequences of Unacceptable Behavior

- Participants asked to stop hostile or harassing behavior are expected to comply immediately.
- If someone engages in such behavior, the AAFPRS Foundation reserves the right to take any required action needed to maintain a welcoming and safe environment for all participants.

LET'S GET SOCIAL!

Get connected and join the conversation. We encourage you to network with colleagues and friends, and to highlight your positive experiences on social media. Don't forget to tag @AAFPRS and to use the #AAFPRS and #AAFPRS2024 hashtags when you post.

HEALTH AND SAFETY | ASSUMPTION OF RISK

The AAFPRS Foundation is thrilled to host this meeting as an in-person event. While we will make reasonable efforts to reduce the risk of COVID-19 transmission on site, we cannot guarantee that attendees will not become exposed to or infected with the virus as a result of attending this meeting.

- The AAFPRS Foundation strongly encourages all attendees to be tested for COVID prior to traveling to the meeting, even if fully vaccinated.
- We also encourage all eligible meeting participants to be fully vaccinated and boosted prior to traveling to this meeting.
- By registering for this meeting, you agree that you will not attend if you are experiencing, or within 10 days prior to the event have experienced, signs or symptoms of COVID-19. You also agree not attend if you believe you may have been exposed to a confirmed or suspected case of COVID or have been diagnosed with COVID-19 and are not yet cleared as non-contagious by state or local public health authorities or the health care team responsible for your treatment.
- By registering for this event, you acknowledge and understand the inherent risk of exposure to and/or the contraction or illness from infectious diseases including, but not limited to COVID-19. You recognize that attendance at this meeting is optional, and you voluntarily assume all risks related to exposure to COVID-19 and/or other communicable diseases.
- You agree that you will take necessary precautions while at the event including, but not limited to, engaging in appropriate social distancing, wearing a mask when requested and/or required, minimize face touching, frequently washing hands and avoiding risky environments such as overcrowded bars or restaurants.
- Furthermore, you understand that large gatherings bring some risk; as such, you agree to follow all health and safety protocols required by federal, state, and local public health authorities and assume responsibility for your own well-being and for the well-being of your guest(s).
- If you are on-site and become symptomatic or test positive for COVID-19, please cease participation in the meeting and all related events, follow CDC protocols, and contact AAFPRS staff by emailing education@aafprs.org.

MASKS/FACE COVERINGS

Masks are welcome but not required. Wear a mask based on your personal preference, informed by your personal level of risk.

The AAFPRS Foundation recommends wearing masks at AAFPRS meetings regardless of vaccination status or state or local ordinances. Anyone who wishes to wear a mask is welcome to do so and their decision should be respected.

TOGETHER, WE CAN MAKE THIS EVENT AS SAFE AS POSSIBLE.

Join us for these Social Events!

In addition, to outstanding clinical education, the AAFPRS Rhinoplasty & Facial Rejuvenation Meeting offers ample opportunities to network with peers, catch up with old friends, meet new colleagues, and have FUN.

Thursday, April 4

Welcome Reception

6:15 –7:30 PM | Sebastian J

Mix, mingle and celebrate the first day of AAFPRS Rhinoplasty & Facial Rejuvenation 2024. The Welcome Reception is the perfect place to reunite with old friends, network with colleagues, and create valuable connections. Be sure to meet with industry partners to see how their products and solutions can help boost your practice.

Friday, April 5

Happy Hour & Faculty Appreciation Reception

6:45 PM–7:45 PM | Sebastian Foyer

Eat, drink, and be merry as we wrap up the second day of the meeting. This Happy Hour is the perfect opportunity to mingle with friends and colleagues before heading to dinner or a night out on the town. We will also recognize our faculty and their outstanding contribution to this year's program. All attendees are invited to attend.

Saturday, April 6

Farewell Reception

6:15 PM–8 PM | Butler

Sip, savor, and celebrate what has truly been an amazing educational and networking experience. Don't miss this final opportunity to mix and mingle with colleagues before you bid a fond farewell to the magical city of Orlando. With great food, music and tropical vibes, this event promises to be fun for all!

GALDERMA
EST. 1981

Restylane
by GALDERMA

FOR ANY & EVERY LOOK

Actual patients. Individual results may vary.

RESTYLANE FAMILY IMPORTANT SAFETY INFORMATION

The Restylane family of products are indicated for patients over the age of 21, and includes *Restylane*®, *Restylane-L*®, *Restylane® Lyft with Lidocaine*, *Restylane® Silk*, *Restylane® Kysse*, *Restylane® Refyne*, *Restylane® Defyne*, *Restylane® Contour*, and *Restylane® Eyelight*.

APPROVED USES

Restylane® and *Restylane-L*® are for mid-to-deep injection into the facial tissue for the correction of moderate to severe facial wrinkles and folds, such as nasolabial folds. *Restylane*® and *Restylane-L*® are also indicated for injection into the dorsal hand to correct volume loss.

Restylane® Lyft with Lidocaine is for deep implantation into the facial tissue for the correction of moderate to severe facial wrinkles and folds, such as nasolabial folds and for cheek augmentation and for the correction of age-related midface contour deficiencies. *Restylane® Lyft with Lidocaine* is also indicated for injection into the dorsal hand to correct volume loss.

Restylane® Silk is for lip augmentation and for correction of perioral wrinkles.

Restylane® Kysse is for lip augmentation and for correction of upper perioral wrinkles.

Restylane® Refyne is for mid-to-deep injection into the facial tissue for the correction of moderate to severe facial wrinkles and folds, such as nasolabial folds.

Restylane® Defyne is for mid-to-deep injection into the facial tissue for the correction of moderate to severe deep facial wrinkles and folds, such as nasolabial folds. *Restylane® Defyne* is also indicated for injection into the mid-to-deep dermis (subcutaneous and/or supraperiosteal) for augmentation of the chin region to improve the chin profile in patients with mild to moderate chin retrusion.

Restylane® Contour is for cheek augmentation and for the correction of midface contour deficiencies.

Restylane® Eyelight is for the improvement of infraorbital hollowing.

Do not use if you have severe allergies with a history of severe reactions (anaphylaxis), are allergic to lidocaine or gram-positive bacterial proteins used to make hyaluronic acid, prone to bleeding, or have

a bleeding disorder. The safety of use while pregnant or breastfeeding has not been studied. Tell your doctor if you have a history of scarring or pigmentation disorders as these side effects can occur with hyaluronic acid fillers. Tell your doctor if you are planning other cosmetic treatments (i.e., lasers and chemical peels) as there is a possible risk of inflammation at the injection site.

Tell your doctor if you're taking medications that lower your body's immune response or affect bleeding, such as aspirin or warfarin, as these medications may increase the risk of bruising or bleeding at the gel injection site. Using these products on gel injection sites with skin sores, pimples, rashes, hives, cysts, or infections should be postponed until healing is complete.

The most common side effects are swelling, redness, pain, bruising, headache, tenderness, lump formation, itching at the injection site, and impaired hand function. Delayed-onset inflammation near the site of dermal filler injections is one of the known adverse events associated with dermal fillers, and cases have been reported to occur at the dermal filler treatment site following viral or bacterial illnesses or infections, vaccinations, or dental procedures. Typically, the reported inflammation was responsive to treatment or resolved on its own. Serious but rare side effects include delayed onset infections, recurrence of herpetic eruptions, and superficial necrosis at the injection site. The risk of unintentional injection into a blood vessel is small but can occur and could result in serious complications, which may be permanent including, vision abnormalities, blindness, stroke, temporary scabs, or permanent scarring of the skin. As with all skin injection procedures, there is a risk of infection.

To report a side effect with any *Restylane*® product, please call Galderma Laboratories, L.P. at 1-855-425-8722.

To learn more about serious but rare side effects and full Important Safety Information, visit www.RestylaneUSA.com.

**NON-CME Lunch & Learn Seminar,
Sponsored by Legally Mine**
Sebastian J

Proper Use of Legal Entities for Lawsuit Protection and
Tax Reduction

Featured Speaker: Gary Harker

Legally Mine will show you how to stop the threat of lawsuits before they ever get started by protecting your assets in time tested and proven legal structures. These same structures allow us to help our tax attorneys save what you would normally pay in income taxes. These are little known tax helps that have significant case history and have stood the test of time.

The AAFPRS Foundation Thanks Legally Mine for its generous support of this year's meeting. *This event is not part of the official AAFPRS CME activity.*

Take a break from surgical procedures, there are so many things to see and learn!

This year's comprehensive program covers all aspects of facial plastic and reconstructive surgery. Attend the other breakout sessions to explore minimally invasive and non-surgical techniques.

BE SURE TO VISIT THEM ONLINE AND ON SITE!

AAFPRS
Booth 210

www.aafprs.org

Visit your society booth to learn more about the benefits of your membership. Pick up some brochure samples, sign up to participate in our humanitarian programs, learn about CONNECT and its many features, sign up for the newly formed AAFPRS International Society of Rhinoplasty Surgeons (ISRS). And if you are not an AAFPRS member, find out why you need to join and be part of this specialty society of more than 1,500 facial plastic and reconstructive surgeons worldwide. While you're here, view surgical videos from the John T. Dickinson Memorial Library featuring rhinoplasties from the experts like Dean M. Toriumi, MD and Paul S. Nassif, MD; facelifts from Andrew A. Jacono, MD; blepharoplasty from Stephen W. Perkins, MD; and many more.

Aerin Medical
Booth 204

www.aerinmedical.com

Nasal airway obstruction (NAO) and chronic rhinitis are chronic nasal conditions that affect millions of patients. When medical therapies fall short, patients can turn to VivAer® and RhinAer® – two non-invasive treatments that deliver significant, lasting relief and can be conveniently and safely performed right in the doctor's office.

Alira Medical Devices
Booth 218

www.alirameddevices.com

Alira Medical Devices LLC is a California based Medical Devices' provider that offers a wide range of world-class medical devices and surgical instruments in the fields of plastic surgery, breast augmentation, and liposuction to facilitate surgical procedures in a sophisticated manner.

Allergan Aesthetics
Booth 302

www.allerganaesthetics.com

At Allergan Aesthetics, an AbbVie company, we develop, manufacture, and market a portfolio of leading aesthetics brands and products. Our aesthetics portfolio includes facial injectables, body contouring, plastics, skin care, and more.

Candace Crowe Designs**Booth 309****www.candacecrowe.com**

Candace Crowe Design is a design and software company specializing in marketing for the aesthetic industry since 1999. CCD is known for its industry knowledge, BRAG book, and Advantage Play®. BRAG book is the industry's most robust before & after gallery and will be celebrating 11 years in the Spring of 2024! They have serviced over 500 clients across the U.S. and Canada. Family-owned.

Canfield Imaging Systems **SILVER EXHIBITOR****Booth 306****www.canfieldsci.com**

Canfield Scientific is the global leader in developing and distributing imaging systems for the medical and skin care industries. Used in hospitals, medical and aesthetic practices, medical spas, and skin care and wellness centers, Canfield's advanced photographic imaging solutions are an integral part of consultations.

CMF Medicon**Booth 108****www.medicon.de/en/**

Medicon is a German instrument manufacture which offers unique instrumentation for all areas of plastic surgery with a focus in rhinoplasty.

Cypris Medical**Booth 313****www.cyprismed.com**

Cypris Medical is committed to improving patient outcomes by developing and commercializing minimally invasive treatments. Our solutions, headlined by the eXact Suturing System, address common issues, delivering results safely and quickly.

Evolution Medical**Booth 107****www.evolutionmedicaldevices.com**

Striving to provide the newest innovation in non-invasive anti-aging treatments.

Galderma Laboratories **GOLD EXHIBITOR****Booth 100****www.galderma.com**

Galderma is the emerging pure-play dermatology category leader, present in approximately 90 countries. We deliver an innovative, science-based portfolio of premium flagship brands and services that span the full spectrum of the fast-growing dermatology market through Injectable Aesthetics, Dermatological Skincare and Therapeutic Dermatology. Since our foundation in 1981, we have dedicated our focus and passion to the human body's largest organ – the skin – meeting individual consumer and patient needs with superior outcomes in partnership with healthcare professionals. Because we understand that the skin we are in shapes our lives, we are advancing dermatology for every skin story.

Hanson Medical, Inc.**Booth 205****www.hansonmedical.com**

Hanson Medical offers Sterile Silicone Facial Implants, Silicone Body Contouring Implants, Scarfade Silicone Scar Gel, Compression Garments, and a complete line of professional skincare.

Hayden Medical, Inc.**Booth 119****www.haydenmedical.com**

Hayden Medical is your source for high quality surgical instruments and equipment. We specialize in facial plastic surgery. Stop by our booth and see us today.

Incredible Marketing**Booth 202****www.incrediblemarketing.com**

Incredible Marketing is a full-service digital marketing agency specializing in strategy, content marketing, SEO, social media, design, and website development. For over a decade, we've helped hundreds of medical practices gain more patients and thrive in the most important domain on earth--the digital marketplace.

Invotec International**Booth 207****www.invotec.net**

Invotec was founded in 1990 and has evolved into a world class supplier of Instruments, Optics, and disposable supplies for facial plastic and cosmetic surgery. Our mission is to provide a wide selection of superior quality products at an excellent value for our customers. We welcome you to stop by our booth to view our wide range of products for use in your practice.

Legally Mine

Booth 104

www.legallymine.com

Legally Mine is a legal services company designed to protect business and personal assets as well as finding legitimate means of lowering tax liabilities. Our priorities are education of the medical and dental communities through our seminars and preparing our clients to defeat both trial attorneys and over burdensome taxes.

Marina Medical Instruments, Inc.

Booth 219

www.marinamedical.com

MarinaMedical designs, develops, and delivers surgeon-focused solutions for facial plastic surgery. Stop by our booth to see the latest innovation in structural-preservation rhinoplasty instrumentation designed by your colleagues and the ultrasonic Piezotome M+ sparking a revolution in precision rhinoplasty! Se habla español.

Microsurgery Instruments, Inc.

Booth 102

www.microsurgeryusa.com

Microsurgery Instruments, Inc. located in the USA, are well known in a large number of surgical fields. Our products include titanium needle holders, titanium scissors and titanium forceps. These products are lightweight, rust free and reduce carpal tunnel. We also have new design 2.5x expanded wide field loupe with the field of view covers more than the standard view area.

My Medical Store

Booth 221

www.mmedicalstore.com

Established in 2007, MY MEDICAL offers top-notch service for purchasing new medical equipment. Specializing in surgical instruments for gynecology, plastic surgery, urology, general surgery, and endoscopy. Trusted by healthcare leaders for excellent service, high-quality products, and competitive pricing. Find the best surgical instruments at www.mmedicalstore.com. Hablamos español.

Ponce AI

Booth 118

www.ponce.ai

Marketing is a significant expense for aesthetic medical providers, generally budgeted between five to 20 percent of revenue. By enabling them to use aesthetic analysis technology to better communicate and identify their patient needs, they can increase revenue from existing patients instead of relying on marketing for new ones.

Quality Medical Publishing (QMP)

Booth 318

www.qmp.com

Subscribe to QMPComplete (qmpcomplete.qmp.com) today and gain access to over 1,200 hours of Operative Videos and Master Classes by world renowned surgeons. New books: Hair Transplant 101 by Sam Lam, MD; Comprehensive Rhinoplasty by Sam Most, MD. Don't miss Facial Aesthetics: Deep Plane and Beyond - qmp.com/porto2024.

Rose Micro Solutions

Booth 304

www.rosemicrosolutions.com

Rose Micro Solutions sells high quality optical loupes and LED lighting systems for Less! We are a "family" business consisting of four brothers. We named the company after our mother "ROSE". Stop by booth 304 to see our "NEW" Line of Custom Built "TTL" Rayban & Oakley Loupes, you'll "Love the Optics." Visit us online or call us @ 716-608-0009, thanks for your continued support for the last 18+ years.

Vision Medica

Booth 116

www.visionmedicausa.com

Importer and exporter of medical equipment for plastic and cosmetics surgery including liposuction and rhinoplasty equipment.
